

AOSM registration form

- The purpose of the Asia Oceania Service Meeting is to carry the message of Alcoholics Anonymous to the alcoholic who still suffers. It is a working meeting and is not at all like a Convention or ordinary AA meeting.)
- Countries in the Asia-Oceania Zone can send one or two delegates to the AOSM. A delegate can attend no more than two meetings.
- The delegates should be elected by the General Service Structure or, at least, by the largest Intergroup in their country.
- The fellowship in each country should pay the costs of its delegates to attend the AOSM. In some cases, where the fellowship is very small, another country in the zone may contribute part or all of the costs for a delegate to attend. If this help is needed, your main AA organization should apply to the AOSM secretariat (see below).

Please print very clearly

Given name..... **Family name:**

Country: delegate's status: first term second term other

If "other", please indicate whether you are an observer and what position you hold in AA or what organization you represent:
